

OFFICE AND FINANCIAL POLICY

CONSULTATION:

All patients requesting chiropractic advice and/or adjustment must have a consultation with the doctor before diagnosis and/or treatment can be recommended or performed. The purpose of this is for the doctor and prospective patient to meet face-to-face, or over the phone, and briefly discuss the patient's concerns and conditions and conduct a complete history and examination. Dr. Lisa will then determine a recommended course of action, or treatment plan.

FEES:

For cash patients, the initial consultation is \$150, which includes the complete history, an examination and chiropractic adjustment.

Medicare patients will pay \$80 for consultation, exam and adjustment, as we do not bill Medicare.

Motor Vehicle Accident patients will be billed the "Actual Fees."

INSURANCE:

Dr. Lisa is an Out-of-Network chiropractic provider. We can provide an itemized statement with coding for you to submit to your insurance company for Out-of-Network benefit reimbursement, if applicable.

METHOD OF PAYMENT:

Payment is due when services are rendered. Cash, personal check, MasterCard, Visa, and Discover are accepted. There is a \$25 charge for returned checks.

I understand and agree to the above policies.
